The Borough of Harrington Park was established in 1904. We currently have over 1785 residences, 3 houses of worship, and a blue ribbon elementary school. We are 1.5(?) square miles and are neighbored by River Vale, Old Tappan, Emerson and Haworth. The Harrington Park Beautification Committee was recently formed in February 2013 to establish a plan to enhance the natural beauty of the Borough. We are fortunate to have a unique and charming town that encompasses the old and the new, almost flawlessly.

Our goals are to maintain the unique charm that exists and improve our natural landscape in our parks and roadways. We hope to expand and enhance one of our parks with seating and tree coverage so our residence can enjoy concerts . By improving our main shopping area with sidewalks and trees, local residents will be encouraged to support their local retailers.

The small, but intimate shopping area consists of a long standing butcher/market in business for over 50 years, beauty salons which serves the many locals , a sandwich shop, coffee shop ,pizza parlor and dry cleaners. Our retailers are having difficulty, due to economic conditions, since many people are drawn to more attractive, modernized settings. Our goal is to be able to seasonally decorate and light the area with hopes to bring some of the old fashioned town feeling. Events would be planned that will draw buyers from our community and other local communities as well.

By teaming up with businesses in our backyards, our goals can be achieved. Our many residents frequent your \_\_\_\_\_ on a daily basis. We welcome the commerce convenience and quality of your business. At this time we are requesting that your \_\_\_\_\_ will be generous with your support to help us achieve our goals.

I have included the contact information as well our our IRS tax status as a -

We would greatly appreciate hearing from your public relations department to further discuss particular projects that may be of interest to your business to support.

Thank you in advance for your attention and support. We look forward to hearing from you.
