MINOR SOIL MOVEMENT PERMIT APPLICATION

Applications for minor soil moving permits shall be filed with the Borough Clerk and shall be accompanied by the fee prescribed as per Article XI 350-54 to 350-62.

Applications shall be made in duplicate and shall be forwarded upon receipt by the Borough Clerk to the Borough Engineer for his review and approval. Please attach any additional documentation or information if more space is needed.

1. Name, Address, Phone and Email of Applicant:

2. Address of Subject Property, including Block and Lot numbers:

3. Name, Address, Phone and Email of Property Owner:

4. Purpose or reason for the moving of soil:

5. The estimated total quantity in cubic yards of soil to be moved: _____

6. How will the moving of the soil affect all trees with a diameter of six (6) inches or more?

7. Provide an impact statement regarding the effects on drainage and erosion that the proposed movement of soil will have.

The Borough Engineer, upon receipt of the application, shall make a field investigation and shall issue the permit or deny it, giving his reasons for such a denial in writing. The Borough Engineer shall forward a copy of the permit to the Building Department, Borough Clerk, and the applicant, and shall retain one (1) copy on file.

The Borough Engineer shall classify any minor soil moving application as a major soil application if he determines that the application poses a substantial drainage or soil erosion problem or adversely affects the development of the abutting lot or lots. Such a determination will trigger compliance by the applicant with all provisions governing major soil moving permits.

In addition to the foregoing, the Borough Engineer may, in his discretion, require other data pertinent to the application.
